Values for life— Autumn Term 1

Friendship

Welcome Back!

Dear Parents/carers,

It has been a pleasure to welcome all our pupils back this week and we have enjoyed catching up with all their news from the summer break. Our new pupils in pre-school and reception have settled in extremely well and it is a pleasure to see how caring our older pupils have been towards them.

So far the majority of pupils have arrived at school in plenty of time for the start of the day - thank you very much to both pupils and parents for getting back into routine so quickly. A prompt start to the day is **vital** for the children's education and their well being and they should be in the playground by 8:50 every morning in order to make the best possible start to the

day.

Thank you for your continued support, I am sure that our pupils are going to have another happy, challenging and successful year at Callow End CE Primary School!

Friends Association

The Friends Association are a big part of Callow End Primary School. They fundraise to raise money to help enhance the children's time at school.

The Friends are run and supported by a fantastic group of parents who work hard to put on fund raising events that are fun for all the family. But we need volunteers to help with ideas and with the events. Can you help? Come along to the AGM in September to learn more about what the Friends do and see if you could help out. It's a great way to make friends.

Early Birds Early Bird Club is open to all pupils of Callow End Primary School and can be used as and when required. If your child comes to school before 8:45am they must attend the Early Bird Club and must pay the £1.50. All children who use the Early Bird Club are required to pay £1.50 per day.

Please remember the school day starts at 8.55 and ends at 3.15pm and Children should be dropped off and picked up at these times.
