WHAT'S COMING UP ?

We now have a Facebook page  Lord's Alive where we will post information so please follow us to get regular updates.

For the period up to half term we will be looking at CREATION - all our activities will be linked to this and, by the end of our 3 sessions, we hope to create a piece of wall art to display in Church, as well as telling the story of creation using lollipop sticks!

After half term we will think about REMEMBRANCE on 10th November, making a wreath and poppy to be laid as part of the Remembrance services at St Peter's Church and Callow End war memorial. For our remaining two sessions we will be thinking about ADVENT and CHRISTMAS, including making our Christmas tree to be displayed as part of a Christmas tree festival in St Peter's—more details to follow!

We are currently working on the details for a half term event as well—more information on  Lord's Alive shortly.

As you can see from the dates above, we have two Sunday services on 1st and 8th October when Lord's Alive will be taking part—please join us if you can.

LORD'S ALIVE—OUR MISSION STATEMENT

We welcome parents staying and joining in with the activities if they want to.

SOME OF OUR ACTIVITIES LAST YEAR

We looked at various Bible stories which were on the Open the Book programme, including the Good Samaritan, I Can See!, Small King, Big Task, The Two Sons and Be Like Me. We also picked up on special days and events such as Mothering Sunday, Father's Day and of course Christmas and Easter. We held a tea party for Rev Sue before she left, presenting her with a set of pots with cards signed by the children. We recently received a lovely card from Rev Sue thanking us for her gifts and saying that, although she no longer has a garden in her new home, the pots we gave her sit outside her door and every time she sees them she thinks of Lord's Alive!

Do you know which of our churches does this weather vane sits on?
